

DOG TRAINING  
St. Julians Church Hall

NOTE: Car Parking is via Rectory Road

Shoreham

Hove

## Information Sheet

- The cost of the training is £55 for the seven-week course. You will be given a clicker and, when appropriate, three essential leaflets to aid the training.
- The first night of dog training is without dogs starting at 7pm. This is very important and **compulsory** as it discusses what will be happening and what you need to bring for the course and answers any questions you may have. **If you are unable to make the first night, you will not, unfortunately, be able to continue with the training and will be offered a later course.**  
Tea & Coffee is available on the first night and there will be an opportunity to purchase some useful booklets, leaflets and dog related items.
- We never have more than between 8-10 dogs to a class with Vicky & Gill as your instructors and also assistant instructors to give you individual attention.
- All dogs need to have had the opportunity to toilet before coming into class and if any dogs toilet outside, please pick up after your dog, otherwise we will not be able to use the hall for dog training anymore.
- All rewards (food and toys) should be kept in a bum bag/pouch/pocket etc. These need to be easily accessible at all times, so we find bum bags or pouches work best
- If your bitch is in season or your dog unwell – please do not bring them to the classes, and please notify us.
- If you have to cancel a lesson, please give as much notice as possible and we will try to arrange a makeup lesson for you so you do not fall behind.
- Please do not apply the training methods you learn with any other dog that has not come to a lesson, as each dog is in an individual and should be treated as such. We are experts in our field and can understand each dogs needs as individuals.
- Please fill out the Registration Form, enclosed and return it to the address written on it as soon as possible to secure your place, as numbers are limited. You will only hear back from us if the classes are fully booked, otherwise we will see you on the date shown on the registration form.  
**Please enclose non-refundable £10 deposit or the full £55 for the course made payable to G. White.**
- Remember to bring your dog's vaccination card with you on the first night. If you have paid a deposit, then the remaining £45 will be payable this evening. We will also have additional clickers, leaflets and other training equipment for sale if you wish to buy these at a reduced rate from us.
- Please refer to map enclosed for directions to club.
- If you have any questions or difficulties during your course, please do not hesitate to ring us on 01273 463554
